## **CORRECTION**

### **Normobaric Hyperoxia Combined With Endovascular Treatment for Acute Ischemic Stroke Patients: A Randomized Controlled Clinical Trial**

In the Research Article “Normobaric Hyperoxia Combined With Endovascular Treatment for Acute Ischemic Stroke Patients: A Randomized Controlled Clinical Trial” by Li et al.<sup>1</sup>, the sixth sentence of the second-to-last paragraph should read: “The PROOF study<sup>46</sup> (Penumbral Rescue by Normobaric O<sub>2</sub> Administration in Patients With Acute Ischaemic Stroke and Target Mismatch ProFile; NCT03500939) was initiated by Professor Sven Poli and others in Europe, which is an RCT study and planned to include 460 patients.” The authors regret the errors.
